FORTUNE FAVORS THE PREPARED

Ready Messenger

New: field reports, line by line. The free Ready Messenger (formerly Message Formatter) builds SALUTE, SITREP, MEDEVAC and eight more field reports, exactly the way the FFTP courses teach them.

SALUTE REPORT

The full threat report: what is out there. Use it when there was time to observe all six fields.

	REPORTING STATION / OP	OP Alpha
S	SIZE	7 dismounted personnel, 1 dark pickup truck
A	ACTIVITY	Set up two observation positions at the road junction, facing north and east
L	LOCATION	County Road 12 and Mill Road, about 600 m southwest of OP Alpha
U	UNIT / UNIFORM	Civilian clothing, dark colors, no insignia
T	TIME	1435L–1447L
E	EQUIPMENT	About 5 long guns, 2 handguns visible

A SALUTE report, ready to read over the air or print.

MEDEVAC REQUEST

The numbered 9-line request (lines 1–2 date-time and unit, then the nine lines) for a MAG net where both ends know it. To 911, say the same things in plain language.

1	DATE-TIME GROUP	091430ZSEP26
2	UNIT	Demo County MAG, Team 2
3	LOCATION	16S EF 12345 67890
