

OPSEC for Teens

Staying in Control Online

OPSEC means not giving people information they can use against you or your family.

Social Media Rules

- Don't post your location in real time
- Turn off live location sharing
- Avoid photos showing school logos, street signs, or your home
- Share trips after you're back

Games, Chats & DMs

- Don't share real name, school, or location
- Don't click links or downloads
- Don't move chats to private apps

Ask: Could this help someone track me or my family?
