

AREA-SPECIFIC ASSESSMENT REPORT

Fortune Favors the Prepared | New Bern, NC — 300-Mile Area of Responsibility
 Area Assessment & Status | 05 April 2026 | UNCLASSIFIED

PREPAREDNESS CONDITION 3 — ELEVATED

Coastal flood advisory active. Active severe weather threat inland NC/VA. Monitor this report. Confirm 72-hr household supply readiness. Reference: [PREP-CON Scale](#)

COMMUNICATIONS CONDITION: COMCON 4 — NORMAL

All primary communications channels operational. Outer Banks cellular marginally reduced during surge. NC WIPER P25 nominal. Starlink/Iridium satellite fully available. ARES Craven-Pamlico active.

SECTION 1 — BLUF: BOTTOM LINE UP FRONT | Area Assessment Summary | 05 April 2026

AREA / TOPIC	CURRENT STATUS & KEY FINDINGS
WEATHER STATUS: AMBER	Coastal Flood Advisory active — Craven, Carteret, Pamlico, Dare counties. ENE winds 18–25 kts/gusts 38 kts at Morehead City. SPC Tornado Watch inland NC/VA through 2000L. 72-hr outlook: front clears overnight, high pressure builds through Day 3. No named tropical system active.
ROADS & ACCESS STATUS: AMBER	US-70 E flooding Tuscarora Creek crossings. US-17 tidal flooding at Beaufort/MHC. NC-12 CLOSED south of Salvo (wave overwash). NC Ferry Hatteras–Ocracoke SUSPENDED. I-95, I-40, I-85 open with no major restrictions.
COMMUNICATIONS STATUS: GREEN	All primary channels operational. Cellular nominal in New Bern metro; Outer Banks marginally reduced. NOAA WX Radio WXJ24 (162.400 MHz) broadcasting. Craven-Pamlico ARES W4BFB active. Starlink/Iridium fully available. COMCON 4 — NORMAL.
POWER & UTILITIES STATUS: GREEN	Duke Energy reporting no major outages in Craven, Pamlico, Carteret, Lenoir, or Pitt counties as of 0600L. Dare County elevated storm vulnerability. Colonial Pipeline and Piedmont Natural Gas nominal throughout AOR.
MEDICAL STATUS: GREEN	CarolinaEast Medical Center (New Bern) fully operational. ECU Health Greenville Level I Trauma accessible. No capacity alerts from any AOR hospital system. Duke, UNC, WakeMed all fully operational.
LOGISTICS & FUEL STATUS: GREEN	Commercial fuel widely available at Kinston, Goldsboro, Wilson, Rocky Mount, Raleigh, Jacksonville, Wilmington. Colonial Pipeline Selma terminal fully operational. No supply chain disruptions confirmed. Outer Banks fuel — carry reserve.
FLOOD / WATERWAYS STATUS: AMBER	Neuse River at New Bern rising toward minor flood stage (USGS 02092500). Pamlico Sound 0.5–1.5 ft above normal. OBX surge 1–3 ft — evacuation active. Tar River at Washington NC rising — monitor.
AVIATION STATUS: AMBER	KEWN New Bern MVFR improving VFR by evening. Coastal rotary wing marginal below 1,000 ft AGL. USCG MH-60 (CGAS Elizabeth City) on weather hold; inland ops feasible. Major regional airports (RDU, ILM, ORF, FAY) operating normally.

AOR GEOGRAPHIC SCOPE — KEY CENTERS WITHIN 300 MILES

CENTER / CITY	DIST.	STATE / REGION	OPERATIONAL NOTES / KEY LINKS
New Bern (AOR Center)	0 mi	NC — Coastal Plain	CarolinaEast Medical Center; Craven Co. EOC; USCG Station; KEWN Airport; anchor point
Greenville / ECU	35 mi W	NC — Inner Coastal Plain	ECU Health Level I Trauma; KPGV Pitt-Greenville Airport; regional medical hub
Morehead City / Beaufort	35 mi SE	NC — Crystal Coast	Port of MHC; USCG Sector NC; Carteret Health Care ; KMHX Airport
Jacksonville / Camp Lejeune	65 mi S	NC — Onslow County	MCB Camp Lejeune; MCAS New River; Naval Hospital ; KNKT Albert Ellis Airport
Fayetteville / Ft. Liberty	90 mi SW	NC — Sandhills	Fort Liberty 82nd Airborne; Cape Fear Valley MC ; KFEG Pope Field
Wilmington	100 mi S	NC — Cape Fear Coast	Port of Wilmington; New Hanover Regional MC; KILM Wilmington Intl Airport
Raleigh / Durham	110 mi W	NC — Research Triangle	Duke Med; UNC Health; WakeMed ; NCEM SEOC; KRDU RDU Airport
Norfolk / Hampton Roads	130 mi NE	VA — Tidewater	NAVSTA Norfolk; NAS Oceana; Sentara Norfolk General; KORF Norfolk Intl
Virginia Beach	140 mi NE	VA — Tidewater	VBMC; coastal surge co-risk; FEMA Region 3 mutual aid boundary
Myrtle Beach / Grand Strand	145 mi S	SC — Grand Strand	Grand Strand Medical Center; coastal co-risk corridor; HMB Int'l Airport
Charlotte	250 mi W	NC — Piedmont	Atrium Health; Douglas Intl Airport (KCLT); NCDOT logistics hub
Richmond, VA	200 mi N	VA — Central	VCU Medical Center; I-95 logistics spine; VA DEMHS Region IV
Charleston, SC	250 mi S	SC — Lowcountry	JBLM Charleston; Port of Charleston; MUSC Health; major logistics hub
Columbia, SC	245 mi SW	SC — Midlands	Palmetto Health USC; SC EMD HQ; I-26 / I-20 logistics junction
Asheville / WNC	300 mi W	NC — Blue Ridge	Post-Helene recovery ongoing; I-40 reliability degraded; logistics constrained

SECTION 2 — WEATHER & ENVIRONMENTAL CONDITIONS | NWS Newport/MHX | 72-Hour Forecast

COASTAL — NEW BERN / MOREHEAD CITY / OBX	INLAND — RALEIGH / FAYETTEVILLE / PIEDMONT
<p>Condition: Coastal Flood Advisory — Craven, Carteret, Pamlico, Dare</p> <p>Wind: ENE 18–25 kts / gusts to 38 kts (NDBC 41025)</p> <p>Visibility: 3–6 mi in rain and sea spray</p> <p>Precip: 1.5–3.0 in / 24 hrs ongoing</p> <p>Surge: 0.5–1.5 ft above normal — Pamlico Sound</p> <p>Marine: Small Craft Advisory — Pamlico Sound; Gale Warning offshore</p>	<p>Condition: Active low tracking NE; severe weather risk inland</p> <p>Wind: SW 12–18 kts; gusty to 30 kts ahead of front</p> <p>Visibility: 5–8 mi; locally 2 mi in heavy convective rain</p> <p>Precip: 0.75–1.5 in with embedded convection</p> <p>Tornado Watch: SPC Watch Box active central NC / southern VA through 2000L</p> <p>Source: weather.gov/mhx spc.noaa.gov</p>

WEATHER ELEMENT	STATUS	FORECAST / CONDITIONS / SOURCE
Air Ops — Rotary Wing (Coastal)	AMBER LIMITED	Marginal below 1,000 ft AGL coastal. Inland ops feasible above 800 ft. Reassess 1800L. [SRC]
Air Ops — Fixed Wing (KEWN)	AMBER LIMITED	MVFR; ceiling 1,200 ft rising. TAF improving to VFR by evening. See Sec 11 airports. [SRC]
Marine Ops — Pamlico Sound	AMBER LIMITED	Small Craft Advisory; 3–5 ft seas; ENE 20–25 kts through tonight. [SRC]
Marine Ops — Offshore / Coastal Zone	RED CRITICAL	Gale Warning in effect. Combined seas 6–9 ft. No small craft offshore operations. [SRC]
Tornado Threat — Inland NC/VA	AMBER LIMITED	SPC Tornado Watch through 2000L. Waterspout risk in Pamlico Sound. [SRC]
Flood Threat — Neuse River System	AMBER LIMITED	Rising; approaching minor flood stage at New Bern. Monitor USGS 02092500 hourly. [SRC]
Coastal Flood Advisory (active)	AMBER LIMITED	Craven, Carteret, Pamlico, Dare counties. 0.5–1.5 ft inundation in coastal low areas. [SRC]

72-HOUR FORECAST — NEW BERN AOR (NWS Newport/Morehead City — MHX)

PERIOD	SKY / PRECIP	WIND	TEMP	PoP	OPERATIONAL IMPACT
DAY 1 — Sun 05 Apr	Overcast; heavy rain coastal	ENE 20–25G38	54°/47°F	90%	Coastal flood advisory active; marginal air ops coastal; US-70 E flooding
SUN NIGHT	Rain diminishing; clearing late	ENE→N 15–20	47°/42°F	70%	Front approaches; tornado risk ends 2000L; coastal flooding receding
DAY 2 — Mon 06 Apr	Partly cloudy; isolated showers	NW 10–15	58°/44°F	30%	Marked improvement; coastal ops resume; residual Neuse/Trent flooding
MON NIGHT	Mostly clear; cool	NW 5–10	42°/36°F	10%	Excellent conditions; all ops supportable; frost possible western AOR

PERIOD	SKY / PRECIP	WIND	TEMP	PoP	OPERATIONAL IMPACT
DAY 3 — Tue 07 Apr	Sunny; comfortable	W 8–12	63°/48°F	10%	Optimal across all AOR; full air/marine/ground ops supportable
TUE NIGHT	Clear; calm	Light variable	48°/38°F	5%	No weather threats; next system not forecast until Day 5+

SECTION 3 — ROADS, ACCESS & TRANSPORTATION | NCDOT | NC511 | Ferry | Port Access

ROUTE / CORRIDOR	STATUS	CONDITION / RESTRICTION / SOURCE
US-70 (New Bern — Kinston)	AMBER LIMITED	Flooding Tuscarora Creek crossings E of Kinston. High-clearance advised. NCDOT confirmed. [SRC]
US-17 (New Bern — Beaufort/MHC)	AMBER LIMITED	Tidal flooding at low points near MHC. Passable with caution; monitor tide cycles. [SRC]
US-17 (New Bern — Jacksonville — Wilmington)	GREEN AVAILABLE	Open; no significant restrictions. Primary southern corridor. [SRC]
US-70 / US-264 (New Bern — Raleigh)	GREEN AVAILABLE	Open; watch standing water Tar River crossing near Rocky Mount. [SRC]
NC-12 (Outer Banks — Hatteras segment)	RED CRITICAL	CLOSED south of Salvo — wave overwash confirmed. Boat/ferry alternate only. [SRC]
NC Ferry — Hatteras to Ocracoke	RED CRITICAL	SUSPENDED — winds/seas exceed ferry safety threshold. Contact NCDOT Ferry Division. [SRC]
NC Ferry — Cedar Island to Ocracoke	RED CRITICAL	SUSPENDED — same conditions as Hatteras route. [SRC]
US-64 (Raleigh — Washington NC)	AMBER LIMITED	Minor standing water at Tar River; 4WD advised in low spots. Open overall. [SRC]
I-95 (Rocky Mount — Fayetteville — SC line)	GREEN AVAILABLE	Open; no major restrictions. Full fuel/services. Primary N-S artery. [SRC]
I-40 (Wilmington — Raleigh — W of Morganton)	GREEN AVAILABLE	Open Wilmington to Raleigh. Monitor mountain segment (post-Helene) W of Morganton. [SRC]
I-85 / I-77 (Charlotte corridor)	GREEN AVAILABLE	Open; no disruptions. Full services available. [SRC]
Port of Morehead City	AMBER LIMITED	Limited vessel movements; wind/current restricting berths. Cargo ops delayed. [SRC]
Port of Wilmington	GREEN AVAILABLE	Normal operations. Wind advisory only. Full cargo throughput maintained. [SRC]
Rail — NS / CSX (Eastern NC)	GREEN AVAILABLE	No disruptions. Freight rail fully operational throughout AOR. [SRC]

SECTION 4 — COMMUNICATIONS STATUS | COMCON 4 — NORMAL | All Primary Channels Operational

4A — CELLULAR NETWORK

CARRIER / ZONE	STATUS	NOTES / SOURCE
AT&T — New Bern Metro / AOR Interior	GREEN AVAILABLE	Nominal. No outages confirmed per AT&T network status 05 Apr 0600L. [SRC]
Verizon — Regional AOR	GREEN AVAILABLE	Nominal throughout AOR. Minor signal variation Dare County during surge events. [SRC]
T-Mobile — Regional AOR	GREEN AVAILABLE	Normal operations. Some persistent rural gaps in Pamlico/Hyde counties. [SRC]
FirstNet / AT&T Priority (EM)	GREEN AVAILABLE	Priority routing active for credentialed responders. Widely available AOR-wide. [SRC]
Cellular — Outer Banks / Dare County	AMBER LIMITED	Marginally reduced reliability during active surge/wind events. Plan for loss. [SRC]

4B — SATELLITE COMMUNICATIONS

SYSTEM / SERVICE	STATUS	NOTES / SOURCE
Starlink LEO Broadband	GREEN AVAILABLE	Recommended EOC/ICP data backbone. 50–200 Mbps; weather-resilient. [SRC]
Iridium PTT / Sat-Phone	GREEN AVAILABLE	Global L-band coverage; unaffected by regional weather. Recommend for team leaders. [SRC]
Garmin inReach (GPS + 2-way messaging)	GREEN AVAILABLE	Recommended for all Outer Banks and maritime field teams. [SRC]
SPOT Gen4 (personal locator beacon)	GREEN AVAILABLE	Issue to maritime teams. Activate ONLY for life-safety emergency. [SRC]
GPS / GNSS — Regional	GREEN AVAILABLE	No jamming active. USCG NAVCEN: no NOTAM for NC AOR this cycle. [SRC]
Space Weather / SWPC Kp Index	GREEN AVAILABLE	Kp = 2 this cycle. No geomagnetic storm impact on satellite or HF. [SRC]

4C — HF RADIO PROPAGATION (SWPC / VOACAP / PSKReporter)

BAND / FREQ	STATUS	CONDITIONS / EMCOMM NOTES
160m / 1.8–2.0 MHz	GOOD	Excellent short-range NVIS; reliable night net band 0–300 mi AOR coverage.
80m / 3.5–4.0 MHz	GOOD	Primary NVIS EMCOMM band. NC ARES Section nets 3.915 MHz (evening). Reliable 0–500 mi.
40m / 7.0–7.3 MHz	GOOD	Reliable 300–600 mi day/night. Best AOR-wide band for 300-mile coverage window.

20m / 14.0–14.35 MHz	FAIR	Day path acceptable; frontal disturbance causing absorption. NVIS marginal.
15m / 21.0–21.45 MHz	POOR	Solar flux low (SFI ~130). Unreliable regional paths. Avoid for primary traffic.
HFGCS 8.992 MHz (Mil/EMCOMM)	GOOD	USAF HFGCS global broadcast. Monitored by AUXCOMM assets. Available for EMMCOMM coord.

SECTION 5 — LOGISTICS & RESOURCE STATUS | Fuel | Water | Shelter

5A — FUEL & ENERGY SUPPLY

FUEL TYPE	NATIONAL AVG (AAA)	NC STATE AVG	NEW BERN AREA (GasBuddy)
Regular Unleaded	\$3.18 / gal	\$3.04 / gal	\$2.94 – \$3.09 / gal
Premium Unleaded	\$3.79 / gal	\$3.65 / gal	\$3.55 – \$3.70 / gal
Diesel	\$3.63 / gal	\$3.48 / gal	\$3.40 – \$3.55 / gal

Prices as of 05 Apr 2026 0600L. Source: [AAA GasPrices](#) | [GasBuddy — New Bern](#)

RESOURCE / LOCATION	STATUS	NOTES / SOURCE
Commercial Fuel — New Bern Metro	GREEN AVAILABLE	All major stations operational. No shortage or price anomalies. GasBuddy confirmed. [SRC]
Commercial Fuel — Kinston / Goldsboro / Wilson	GREEN AVAILABLE	Full availability. Primary resupply nodes for eastern NC field operations. [SRC]

Commercial Fuel — Jacksonville / Onslow County	GREEN AVAILABLE	Full availability including Camp Lejeune gate-vicinity commercial stations. [SRC]
Commercial Fuel — Outer Banks / Dare County	AMBER LIMITED	Limited retail stations; supplies deplete rapidly during emergency activations. Carry reserve. [SRC]
Colonial Pipeline (regional petroleum supply)	GREEN AVAILABLE	No disruptions. Selma/Raleigh terminal fully operational. Confirmed 05 Apr. [SRC]
Commercial Power — Craven / Carteret / Pitt / Lenoir	GREEN AVAILABLE	Duke Energy: no major outages as of 0600L 05 Apr 2026. [SRC]
Commercial Power — Dare County / Outer Banks	AMBER LIMITED	Elevated storm vulnerability. Pre-position generators if operating on Outer Banks. [SRC]
Piedmont Natural Gas — Regional AOR	GREEN AVAILABLE	Distribution normal in all major AOR counties. No disruptions confirmed. [SRC]

5B — POTABLE WATER (Utility contacts for field confirmation)

SYSTEM / AREA	UTILITY PHONE	STATUS	NOTES / SOURCE
City of New Bern Water (Craven Co.)	(252) 636-4000	AVAILABLE	Operational. No boil-water advisory as of 0600L. Report outages/quality issues to utility. [City of New Bern]
Morehead City Public Works	(252) 726-5083	AVAILABLE	Operational with minor pressure variation during surge. Monitor Carteret Co. health advisory. [City]
Town of Beaufort Water Dept	(252) 728-2141	AVAILABLE	Operational. Coastal surge exposure this cycle; verify status before extended ops. [Town]
City of Kinston Utilities	(252) 939-3290	AVAILABLE	Fully operational. Primary resupply staging point for eastward field operations. [Kinston]
Greenville Utilities Commission	(252) 329-4200	AVAILABLE	Water/sewer/gas for Pitt County. Operational. Good staging and resupply node. [GUC]
Dare County Water Dept (OBX)	(252) 475-5820	LIMITED	Vulnerable during extended surge. Verify status before Outer Banks deployment. [Dare Co.]
Bottled Water — Commercial (AOR-wide)	N/A	AVAILABLE	Widely available at major retailers. No shortage confirmed this cycle. [ReadyNC]
NCEM FEMA POD Capability	(919) 825-2500	UNKNOWN	Push-pak water activation requires NCEM / county EM request. Contact NCEM SEOC. [NCEM]

5C — SHELTER & MASS CARE

SHELTER / LOCATION	STATUS	CAPACITY / NOTES / SOURCE
Craven County Shelter Network	GREEN AVAILABLE	Multiple sites available. Coordinate with Craven County EM. No capacity alerts. [SRC]
NC ARC Shelter Locator (statewide)	GRAY UNKNOWN	Red Cross activates on NCEM / county request. Track at redcross.org or text SHELTER+ZIP. [SRC]
Dare County / Outer Banks	RED CRITICAL	Mandatory evacuation order active. No shelter on barrier island this cycle. [SRC]

Hotels / Lodging — New Bern / Kinston area	GREEN AVAILABLE	Widely available. Book early during activation events — occupancy spikes rapidly. [SRC]
ReadyNC Shelter Locator	GRAY UNKNOWN	NCEM maintains real-time shelter availability at readync.gov during activations. [SRC]

SECTION 6 — FLOOD, SURGE & WATERWAY STATUS | USGS | NWS AHPS | NOAA Tides

WATERWAY / GAUGE / AREA	STATUS	STAGE / LEVEL / NOTES
Neuse River at New Bern (USGS 02092500)	AMBER LIMITED	Rising; approaching minor flood stage (6.0 ft). Watch for crest post-frontal passage. [SRC]
Neuse River at Kinston (USGS 02089500)	AMBER LIMITED	Above action stage; slow rise. Florence 2018 produced catastrophic crest on this reach. [SRC]
Tar River at Washington NC (USGS 02083500)	AMBER LIMITED	Moderate rise; monitor. 2018 Florence and 1999 Floyd devastated this corridor. [SRC]
Trent River (New Bern confluence)	AMBER LIMITED	Tidal backwater influence amplifying riverine rise. Monitor USGS gauge at Fort Barnwell. [SRC]
Pamlico Sound — Surge Status	AMBER LIMITED	0.5–1.5 ft above normal; ENE wind setup pushing water into Pamlico Bay / Bath areas. [SRC]
Outer Banks — Storm Surge	RED CRITICAL	1–3 ft surge Pamlico Sound side; wave overwash ocean side. Evacuation active Dare Co. [SRC]
Cape Fear River at Wilmington	GREEN AVAILABLE	Slight rise; well below flood stage. No immediate threat this cycle. [SRC]
NC Intracoastal Waterway (NC segment)	AMBER LIMITED	Navigable shallow-draft vessels; strong ENE current and floating debris hazard. [SRC]

SECTION 7 — POWER, UTILITIES & CRITICAL INFRASTRUCTURE | Duke Energy | Dominion | Colonial

UTILITY / SYSTEM	STATUS	NOTES / SOURCE
Duke Energy — Craven / Pamlico / Carteret	GREEN AVAILABLE	No major outages confirmed 0600L 05 Apr. Frontal passage may cause localized outages tonight. [SRC]
Duke Energy — Dare County / Outer Banks	AMBER LIMITED	Elevated storm vulnerability. Pre-position generators if operating on Outer Banks. [SRC]
Duke Energy — Pitt / Lenoir / Wayne Counties	GREEN AVAILABLE	Operational. No outages reported inland AOR sector. [SRC]
Dominion Energy — Southeastern Virginia	GREEN AVAILABLE	Operational throughout Hampton Roads / Norfolk AOR segment. No outages reported. [SRC]
Duke Energy — Piedmont / Charlotte region	GREEN AVAILABLE	No disruptions. Outside weather impact zone this cycle. [SRC]

Piedmont Natural Gas — AOR-wide	GREEN AVAILABLE	Distribution normal in all major AOR counties. No service disruption confirmed. [SRC]
Colonial Pipeline — Petroleum Supply	GREEN AVAILABLE	No disruptions. Raleigh/Selma terminal fully operational. Jet-A/gasoline/diesel flowing. [SRC]
Municipal Water Treatment — Coastal Plants	AMBER LIMITED	Morehead City / Beaufort treatment plants have elevated surge exposure. Monitor. [SRC]
NCEM CI Monitoring (all 100 NC counties)	GREEN AVAILABLE	NCEM tracks power/water/comms continuously. Sector reports available to credentialed users. [SRC]

SECTION 8 — MEDICAL FACILITIES & SERVICES | Hospitals | Trauma Centers | EMS

LEVEL I TRAUMA	LEVEL II TRAUMA	COMMUNITY / NON-TRAUMA	MILITARY MTF
-----------------------	------------------------	-------------------------------	---------------------

FACILITY / LOCATION	PHONE	TRAUMA LEVEL	STATUS	NOTES, BEDS / LINK
CarolinaEast Medical Center New Bern NC	(252) 633-8111	Level II	AVAILABLE	313 beds; ER fully operational. Primary AOR anchor. Helipad on-site. [Info]
ECU Health Medical Center Greenville NC	(252) 744-6000	Level I	AVAILABLE	909 beds; burn unit; pediatric trauma. Primary serious trauma referral eastern NC. [Info]
Carteret Health Care Morehead City NC	(252) 808-6000	Community	AVAILABLE	135 beds; ER open; generator backup. Coastal surge exposure this cycle. [Info]
Naval Hospital Camp Lejeune Camp Lejeune NC	(910) 450-4300	Military MTF	LIMITED	Military treatment facility; civilian access by coordination only. MHS Genesis. [Info]
